## **Feel those Caribbean breezes**

I know, it's February, it's cold, it's raining, and it is the perfect time to start making plans for this summer's activities – and there is none bigger or better than the AANR Northwest Convention at The Willamettans 20-22 July. And what a great summer theme – “Don't Worry – Be Happy” – a Caribbean holiday.

Dust off your Island shirts and flip flops - we are planning the biggest weekend of the year – there will be wine and beer tastings, an electric light parade, Parrothead dance, dermatological screening, line dancing, a steel drum band, a full youth activities schedule and sports for young and old alike. It is going to be a fantastically fun-filled event.

Northwest Conventions are unique in that they bring members together from all over the region and provide a fun opportunity to see friends we don't see every day. Make your registration today. If you register before 1 July, Willies gives you a 10% discount on meals and ground fees – where else can you get a deal like that!

The registration form is available at [www.wtans.org](http://www.wtans.org) or call 541-933-2809 for more information – rentals go very fast for a convention but we have lots of RV sites of all sizes.
